

Tortilla Pizza

Unit: Electric Skillet

4 - 12 Oz. Mozzarella Cheese

1 - Jar of Tomato Sauce

Cooking Spray or Olive Oil

Pizza Toppings of Your Choice

Large Flour Tortillas

Meat topping of your choice

Coat the Electric Skillet with a light layer of oil and then place a tortilla in the bottom of the cold skillet. Add a thin layer of sauce, toppings and cheese to the pizza and turn the Electric Skillet on to 350 degrees. Cook until the cheese is melted thoroughly (approx. 8 minutes) and remove with 2 spatulas onto a plate.

Assemble the second pizza while the first pizza is cooking. The following pizzas will cook in 5 minutes. Enjoy!
