

# Peach Bake

*Unit: Large Skillet or Electric Skillet, Food Cutter Machine*

**1 Box of crunchy granola bars**

**1 Can of peach pie filling**

**1 Box of yellow cake mix**

**½ Stick of butter (melted)**

Using the #3 blade on the food cutter, crush ½ of the granola bars into the bottom of the skillet. Mix the cake and peach pie filling in a large bowl and pour over the crumbs.

Crush the remaining bars over the top with the #3 blade. Finally, pour the butter over the ingredients. Cover and rotate the valve below the knob to open.

Cook on medium heat (300 on E.S.) until the valve whistles or the cover is stinging hot to the touch. Reduce the heat to low heat (250 on E.S.) and cook 20 minutes.
